LEGACY HEALTH

Allied Professionals Council

The Allied Professionals Council for Legacy Health was founded so that our shared clients might reach their philanthropic goals. The Council serves hospitals throughout the Northwest, including:

Legacy Emanuel Medical Center	Randall Children's Hospital at Legacy Emanuel
Legacy Good Samaritan Medical Center	Legacy Salmon Creek Medical Center
Legacy Meridian Park Medical Center	Legacy Silverton Medical Center
Legacy Mount Hood Medical Center	Unity Center for Behavioral Health

Members of the group are representative of the various geographical areas served by Legacy Health and include attorneys, financial planners, life insurance agents, stockbrokers, real estate brokers, trust officers, accountants and tax professionals. These community leaders provide expert advice and advocacy in all aspects of planned giving.

Legacy Allied Professionals are invited to meet two times annually to hear noteworthy speakers, discuss industry trends and learn about relevant health care issues. Allied Professionals will be noted on our website and occasionally in print materials.

We look forward to partnering with our Allied Professionals in furthering Legacy Health's mission:

Our legacy is good health for

Our people

Our patients

Our community

Our world
